

**New  
Improved**

THE **ESCORT II**  
SERIES

# EL-2MRS

## ***Thermoplastic Battery Unit***

The *EL-2MRS Series* is perfect for use where style and design is required in an economical package.

The compact design, measuring only 5-1/2" by 12-1/8", will accommodate the space restrictions often encountered. Six volt, MR16, lamps are powered by a maintenance-free, Lead-Calcium battery to provide a clean, adequate amount of light. The snap-together thermoplastic housing facilitates mounting in any orientation.

*UL Listed*

Complies with NEC, Life Safety Code and OSHA

*Damp location listing is standard*

*Sealed maintenance-free batteries*

Lead-Calcium

### **Standard Features**

#### **Reliability**

The **EL-2MRS Series** comes complete with a 3-year full warranty.

#### **Unit Data**

The **EL-2MRS** is completely self-contained. Constructed of high impact, UL recognized, 94,5VA thermoplastic. Six volt, MR16 halogen lamps, are housed in adjustable, gimbal-type, assemblies. All units are damp location listed.

#### **Reliable Integrated Circuitry**

The **EL-2MRS** Integrated Circuitry offers a 120/277 Vac 0.1/0.05 Amp input as standard. As well as automatic charging, instantaneous transfer, test switch, long-life LED AC charge monitor, temperature compensated charger, short circuit protection, low battery voltage disconnect, bownout protection, and lockout (automatic battery detection during installation).
