

Unit Equipment Accessories

Remote Test switch

Make testing your ceiling mounted equipment easier with the remote test switch. Compatible with 120 or 277 VAC circuits, the remote test switch will interrupt the line voltage to your equipment by means of a momentary push button switch. AC on/Charge status indicator lamp assures that power is going to your emergency lighting.

How To Order

RTS.....Metal faceplate, chrome
RTS-1.....Plastic Faceplate, off white
