

The **EL-2MRS Series** is perfect for use where style and design is required in an economical package. The compact design, measuring only 5-1/2" by 12-1/8", will accommodate the space restrictions often encountered. Six volt, MR16, lamps are powered by a maintenance-free, Lead-Calcium battery to provide a clean, adequate amount of light. The snap-together thermoplastic housing facilitates mounting in any orientation.

UL Listed

Complies with NEC, Life Safety Code and OSHA.

Damp location listing is standard

Sealed maintenance-free batteries
